THE ADVENTURES

The Lake District and Yorkshire Dales offer fantastic opportunities for adventure learning. You can select from a variety of activities and venues to create your own bespoke day adventure that is tailored for you and your group. We provide high quality, educational and safe adventure courses at an affordable cost.

SOME OF OUR MANY ACTIVITIES AVAILABLE

CLIMBING

CANOEING

MOUNTAIN

CAVING

ABSEILING

SEA CLIFF
TRAVERSING

LOCAL
EXPLORATION

GORGE
WALKING

We provide all the necessary activity equipment and individual kit – waterproofs, fleeces, boots and wellies to keep students warm and dry during their adventures so the weather is never an excuse not to get out and play.

We can also provide varying levels of support to help you deliver the Duke of Edinburgh's Award - skills training, expedition support or an assessor.

TRANSPORT

Real Adventure holds a VOSA Operators Licence and all drivers have undergone the appropriate professional training. We can provide multiple minibuses with up to 17 seats depending on your requirements. Alternatively, our drivers can drive your minibuses.

THEME YOUR DAYS

SKILLS FOR LIFE

Building strong, trusting relationships between your students and teachers can enhance your students' learning and development back in the school environment. We can offer adventures that can gel your students as a team whilst providing opportunities to challenge individual students that increases their confidence, self-awareness and motivation.

SUBJECT MATTERS

Move the classroom out of doors and bring learning to life. We can support curriculum topics such as rivers, mountains and habitats that will enhance students' understanding and awareness of the natural environment or lead you on a journey through unique landscapes that have been shaped by historic human influence or inspired literary writers.

ENVIRONMENTAL LEARNING

Learning and caring for the environment is integral to all our activities including 'leave no trace' and bushcraft. We can also guide you towards achieving the **John Muir Award**.
